Lake Boga Primary School (LBPS) is committed to providing a safe, secure and stimulating learning environment for all students. We understand that students reach their full potential only when they are happy, healthy and safe, and that a positive school culture, where student participation is encouraged and valued, helps to engage students and support them in their learning. Our school acknowledges that student wellbeing and student learning outcomes are closely linked.

The objective of this policy is to support our school to create and maintain a safe, supportive and inclusive school environment consistent with our school's values.

### POLICY

#### 1. School profile

Lake Boga Primary School is a small government school in Lake Boga; a town of about 700 people, 14 kms from the regional centre of Swan Hill and nestled around the lake. We are approximately 320km from Melbourne. Broad acre and irrigation farming surround the town.

As the Service Provider Lake Boga Preschool, we are an educational precinct, running Rostered Playgroups, Three and Four Year Old Pre-school programs and primary education for students in Foundation to Grade 6. In 2022, the Student Family Occupation and Education (SFOE) when compared with other government schools was 0.43. The school is characterised by having 5% indigenous students, 4% Program for Students with Disabilities (PSD), 0% Refugee, and 0% EAL. Our student cohort is 59% male and 41% female. The rural atmosphere, smaller student numbers and community involvement contribute to a relaxed and friendly learning environment in which students at all levels are able to receive individual attention and in which cross age interaction and leadership qualities are facilitated and develop freely.

Disciplinary measures at our school will be applied fairly and consistently. Students will always be provided with an opportunity to be heard.
